

Slick

Discover a flexible, secure, digital approach with Unipass Letter of Authority.

Stop wasting time and money on old paper processes

Start improving LoA fulfilment, approval and turnaround times

Unipass Letter of Authority (ULoA) offers a slick, new digital solution for advisers and providers to serve their clients in a faster and more secure way. With ULoA, instead of paying for post and spending time on paper based processes, you'll have more time to focus on what matters: **efficiently and securely handling GDPR compliant LoAs.**

How does it work?

1. A smooth start

Get LoA's from advisers digitally. Eliminating reliance on postal services.

2. Approve LoAs in realtime online

Free resources from wasteful chaser calls from adviser firms to providers.

3. Encourages uniform process across participants

Increase productivity of business support and fulfilment teams.

4. Improve security of highly confidential client data

Client documents can be shared by providers to Unipass authenticated participants.

Why choose Unipass Letter of Authority?

Save time and money

Instead of paying for post or waiting for deliveries, go digital

Save admin time by accessing and actioning your LoA through our online portal

Change of agency requests can now be fulfilled online

Stay safe and secure

Keep requests and responses confidential in our secure online portal

Alleviate data protection concerns with our GDPR compliant system

Authenticate client and adviser details digitally

Business efficiency

More environmentally sustainable. Reducing carbon footprint

Create potential for system integration efficiencies.

Streamline training requirements for provider fulfilment teams.

Slick and digital

No admin team enjoys sorting through paperwork. Access our secure online portal to approve and fulfill all request for clients details. Send LoAs digitally and securely, increasing team productivity and efficiency.

In short:

Before

Spending time on printing and handling of post

Risk of human error resulting in non compliance.

Risk of breaching GDPR regulations

With Unipass Letter of Authority

Deliver and answer paperwork digitally

Reduce your admin time and keep mistakes at bay

Ensure client confidentiality and streamline your process

Complete your LoA process through our secure online portal and watch the benefits roll in.

What do I need?

In order to access Unipass Letter of Authority, you'll need to have a Unipass Identity. Origo will support all providers with the onboarding process.
