

Slick

Discover a flexible, secure, digital approach with Unipass Letter of Authority.

Stop wasting time and money on old paper processes

Start improving LoA fulfilment, approval and turnaround times

Unipass Letter of Authority (ULoA) offers a slick, new digital solution for advisers and providers to serve their clients in a faster and more secure way. With ULoA, instead of paying for post and spending time on paper based processes, you'll have more time to focus on what matters: **efficiently and securely handling GDPR compliant LoAs.**

How does it work?

1. A smooth start

Get LoA's from advisers digitally. Eliminating reliance on postal services.

2. Approve LoAs in realtime online

Free resources from wasteful chaser calls from adviser firms to providers.

3. Encourages uniform process across participants

Increase productivity of business support and fulfilment teams.

4. Improve security of highly confidential client data

Client documents can be shared by providers to Unipass authenticated participants.
